18 **SEC. 2. TREASURY STUDY OF EFFECTIVE PROCEDURES**
19 **FOR COLLECTING TAX ON THE SALE OF DIE-**
20 **SEL FUEL FOR NONCOMMERCIAL MOTOR-**
21 **BOAT USE.**

22 (a) GENERAL RULE.—The Secretary of the Treasury
23 (or his delegate) shall study the effectiveness of various
24 procedures for collecting excise taxes imposed on diesel
25 fuel sold for use or used in a noncommercial diesel-pow-

1 ered motorboat. In studying the effectiveness of possible
2 collection procedures, the Secretary (or his delegate) shall
3 examine the administrative burdens of each procedure on
4 and consult with noncommercial boat users and marine
5 fuel retailers and the effect of each procedure on the avail-
6 ability of diesel fuel to all boat users as well as any en-
7 forcement considerations. The following four collection
8 procedures shall specifically be studied, although the Sec-
9 retary (or his delegate) may study other collection proce-
10 dures:

11 (1) The collection procedure under current law,
12 which imposed tax upon the removal of diesel fuel
13 from a petroleum terminal and under no cir-
14 cumstances allows a marine fuel retailer to sell dyed
15 diesel fuel to a noncommercial boat user.

16 (2) A collection procedure which would allow a
17 marine fuel retailer to sell dyed diesel fuel to a non-
18 commercial boat user provided the retailer collected
19 the tax from the user and remitted the tax to the
20 Internal Revenue Service.

21 (3) A collection procedure which would allow a
22 marine fuel retailer to sell dyed diesel fuel to a non-
23 commercial boat user but would require the user to
24 remit the taxes due directly to the Internal Revenue
25 Service.

1 (4) A collection procedure which would allow
2 (but not require) a marine fuel retailer to sell
3 undyed diesel fuel to exempt commercial boat users
4 and then to apply for refunds on those sales from
5 the Internal Revenue Service in a manner similar to
6 the current procedure under section 6427(1)(5) of
7 the Internal Revenue Code of 1986 for sales to
8 farmers and state and local governments.

9 (b) REPORT.—Not later than (the date 18 months
10 after the date of enactment), the Secretary (or his dele-
11 gate) shall submit to the Committee on Ways and Means
12 of the House of Representatives and the Committee on
13 Finance of the Senate a report on the study conducted
14 under subsection (a), together with such recommendations
15 as he may deem advisable.
